Dining To Donate

“Dining to Donate” fundraising program is easy to arrange and best of all, 15% of sales generated by supporters of your organization will be donated back!

Our team will work together with your group to create a fundraiser where your supporters simply enjoy a Great Meal & Raise Money for Your organization.

Here’s how it works:

- Amici will design a unique shareable support our organization flyer for you to share with your supporters.
- Your organization would receive credit for all dine-in, take-out and catering purchases made when the voucher from your flyer is redeemed.
- We only ask that the flyer truly be distributed amongst your supporters and not be distributed inside or in the direct vicinity of our restaurant, including the parking lot, dining room or social media pages.
- Your organization must be 501(c)3 tax exempt. We must have your 501(c)3 tax exempt form before we agree to partner with you.
- Amici will process all orders using the unique code assigned to your group and issue a donation in the amount of the net sales times 15%.

Example program:

**If 100 of Your Supporters Dine at Amici
1 time each during a single month...**

each spends

\$35

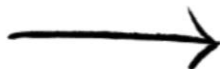

That would be

\$3500
in sales...

...and

\$525
back to your
group

100x35=3500

3500x.15=525
